DEA Training Expedition 4th - 6th May 2013

Dear SYG Member & Parent/Guardian,

Next Monday will be the final briefing and kit issue for the planned expedition to the Chilterns over the weekend of 4th – 6th May 2013.

The meeting will take place straight after the SYG parents evening, and I will be giving the final details about the trip including drop off and collection points and campsite details.

Please can you bring £22.50 to pay for the cost of this expedition which includes a £5 deposit against lost or broken kit. (Once all of the kit has been returned in good order £5 will be returned to you). This cost includes all camp site fees which we will pay on your behalf.

Finally, in order to keep the costs as low as they are, especially as we are taking nearly 30 children away for the weekend, parental assistance is required with transport both to and from the Chilterns area. It is approximately 1 hours drive from Sawston to this area, and your assistance will be greatly appreciated, as without your help we will be unable to undertake the event.

I will provide parents with details of drop off and collection points for Saturday morning drop off and Bank Holiday Monday collection next week.

If you have any further questions before next Monday then please do not hesitate to contact me on either of the ways below.

Craig Barnes,
DEA Leader
